### **It's terrorism on education to ban trust schools in 'IIOJK'**

*Pakistan Observer, June 27, 2022*

The Hurriyat leaders and several other organizations have 'condemned' the imposition of a ban by the 'Hindutva government' led by PM Narendra Modi on schools run by the Falah-e-Aam Trust (FAT) in 'Indian Illegally Occupied Jammu and Kashmir' (IIOJK). The leaders of Jammu and Kashmir Muslim League, Jammu and Kashmir Peoples League, and All Party Hurriyat Conference- 'Azad Jammu and Kashmir' (APHC AJK) in their statements, termed the ban as 'terrorism unleashed by the PM Modi regime' on education in 'occupied Jammu and Kashmir.' The leaders further said that such 'discriminatory action' of the Indian government is a selective crackdown on 'IIOJK' institutions, adding that the crackdown on educational institutions is grossly unfair, unjust, anti-Kashmir, and anti-Muslim policy of the BJP government. They urged the United Nations (UN) and other global organizations working for education all over the world to intervene and put pressure on India to take back its decision.

### **International organizations to take notice of 'Indian terrorism'**

*Pakistan Observer, June 28, 2022*

The PM of 'Azad Jammu and Kashmir' (AJK), Sardar Tanveer Ilyas Khan has

urged the Organization of Islamic Cooperation (OIC) and other international organizations to take notice of 'Indian state terrorism' in 'occupied Jammu and Kashmir' and play their role in ending the 'human rights violations' in the 'occupied' territory. He stated that India's contentious decision to hold the upcoming G20 summit in the 'Indian Illegally Occupied Jammu and Kashmir' (IIOJK) is a deliberate attempt to deceive the international community. He said that 'IIOJK' is an internationally recognized disputed territory and its solution lies in the United Nations Security Council Resolutions (UNSCR).

### **JKLF leaders deliver a memorandum to UN amid baton charge by police in Muzaffarabad**

*Dawn, June 29, 2022*

The leaders of the Jammu Kashmir Liberation Front (JKLF) handed over a memorandum to the UN military observers. The protestors decided to stage a sit-in there throughout the night and ended it only after holding dialogue with local administration and delivering their memorandum to the special representative of the UN secretary-general. The administration was left with no choice but resort to the use of batons and teargas shells and take some of them into custody to break up the sit-in. Meanwhile, some leaders and activists of JKLF presented a memorandum to the UN observers, in

which they urged the world body to play its role in the grant of an unconditional right to self-determination to the Kashmiris and before the immediate release of Yasin Malik and other political prisoners in India. The Central Bar Association of Muzaffarabad while condemning the 'worst torture' on peaceful JKLF demonstrators, urged the 'Azad Jammu and Kashmir' (AJK) government to clarify whether it stood by incarcerated Yasin Malik or India's agenda.

### **Burhan Wani 'martyrdom' day will be observed as Resistance Day**

*Daily Parliament Times, June 28, 2022*

The chairman of Pasban-e-Hurriyat, Uzair Ahmad Ghazali has said that the 7th 'martyrdom day' of 'freedom fighter' Burhan Muzaffar Wani will be observed as a 'pledge of resistance' for the 'independence' and right to self-determination of Kashmiris from India. While talking to the media in Muzaffarabad, Ghazali along with Pakistan People Party (PPP) leader Shaukat Javed Mir, among others said that after the 'martyrdom' of Khalid Wani, his younger brother Burhan Wani organized the resistance movement against 'Indian atrocities' in the most difficult circumstances, which not only challenged 'Indian authorities' and but also challenged 'Indian forces' particularly through social media.

He said that the Kashmiri people will never forget Burhan Wani's 'courage and bravery' in exposing India's 'war crimes to the whole world, and added that Burhan 'Shaheed' lived in the forests, mountains, and deserts of the Kashmir Valley just for the struggle of freedom. He further said that on July 8, 2016, the Kashmiri people lost their 'beloved Mujahid', a 'valiant and fearless commander' in the Kokarnag area of 'Indian Illegally Occupied Jammu and Kashmir' (IIOJK). During the media briefing, other speakers said that on 8th July 'resistance day', an organized contingent of youth will salute the 'Kashmiri martyrs' including Burhan Wani Shaheed at the Burhan chowk (named after Burhan Wani).

### **G-20 event in disputed Kashmir is a misleading exercise: Farooq Rehmani**

*Pakistan Observer, June 29, 2022*

The chairman of Jammu and Kashmir People's Freedom League and ex-convenor of All Parties Hurriyat Conference- 'Azad Jammu and Kashmir' (APHC-AJK) chapter, Muhammad Farooq Rehmani has appealed to the G-20 countries to read real intentions of India in her motive to call G-20 summit in the 'occupied territory' of Jammu and Kashmir. While in a statement issued in Islamabad, he questioned the rationale behind holding the G-20 meeting in the 'occupied territory, which is facing a

'horrible human rights' situation due to the 'war of terror' perpetrated by 'India' against its inhabitants after depriving it of its statehood in 2019.

### **Chairman of KIIR writes to G-20 countries about India's 'malafide intentions' behind holding G-20 Summit in 'IOK'**

*Daily Parliament Times, June 30, 2022*

The chairman of Kashmir Institute of International Relations (KIIR), Altaf Hussain Wani has urged G20 countries not to allow the Indian government to use them as its 'brand ambassadors' to project its 'normalcy narrative'. In a joint communique addressed to heads of G20 countries the KIIR chairman while highlighting the 'real motives' behind India's plan claimed that the Indian government's controversial decision to hold the high-profile summit in the region (IOK) was based on 'mala-fide intentions' aimed at deflecting the world attention away from the Kashmir issue, creating a 'cobweb of confusion' around the issue and minimize the 'legitimacy of Kashmiris' demands for holding plebiscite in the region in line with the United Nations Security Council (UNSC) resolutions. He said that the present-day government in India had 'unilaterally and unlawfully' changed the special status of Kashmir in 2019, and has since then been 'remorselessly peddling lies to promote so-called normalcy narrative on Kashmir'. While referring to the 'individual trips' of the

Members of the European Parliament to Kashmir last year, the letter said that 'EU parliamentarians' visits were presented by the Indian government as official EU delegations.'

He further added that a similar trip of 'foreign envoys' stationed at New Delhi to the disputed territory was arranged to keep the 'charade of normalcy alive', adding that the 'guided trip' has been more or less a replica of the past visit wherein the delegates were taken on a brief tour of 'Naya (new) Kashmir', which was 'skillfully carved out from the war-torn city overnight and decorated as per the visitors' contentment by removing temporarily the barricades, barbed-wires, and bunkers that one can normally see dotted all around the city.' While urging the heads of G20 countries to take a holistic review of the situation, he added that 'rather than getting swayed by India's propaganda what the world, in particular, the heads of G20 countries need to know about Kashmir is that it has been classified as the world's most militarized zone. It is also the largest region occupied by Indian forces illegally.'
